**CELEBRATION: Guests at
the tea party with the
Mayor and Mayoress**

ESTATE MARKS 90TH BIRTHDAY

OFFICIALS and residents have come together to celebrate the 90th anniversary of Dagenham's Becontree Estate.

Becontree was built by London County Council as a 'homes fit for heroes' project following the First World War. The first of its 30,000 houses were officially completed in Chitty's Lane on November 7, 1921. Thousands of families were moved

from the East End of London to set up home in the vast new estate, which was once Europe's largest council estate.

A tea party was held last Friday to mark the occasion with guests including the Mayor of Barking & Dagenham councillor Milton McKenzie, local MPs Margaret Hodge and Jon Cruddas.

The council's heritage service dis-

played some old photographs and showed some old black and white films of the estate.

When it was built the entire Becontree Estate was council housing, but now only around 8,500 are owned by Barking and Dagenham Council a result of right to buy legislation.

Three of the borough's biggest council estates, Goresbrook Village,

Leys and part of Barking's Gascoigne estate, are being demolished and replaced with brand new housing.

Councillor Phil Waker, cabinet member for housing, said: "The Becontree Estate is a real piece of history and it's something which has been a part of the fabric of the borough ever since the old LCC started laying the first bricks more than 90 years ago."

Cars crushed

EIGHTY one vehicles have been crushed in Barking and Dagenham since the end of May for not having road tax.

The cars were towed away as part of a joint operation between the local authority and the DVLA.

In total, action has been taken against 241 untaxed vehicles in the borough.

To report an abandoned vehicle call 020 8215 3000.

Illegal tenant

A COUNCIL home that was being illegally sublet has been recovered after its tenant was found to be living in the USA.

Barking and Dagenham Council's tenancy audit team uncovered the scam which related to a three-bedroom flat in Earlsdown House Barking.

An investigation was launched after suspicions were backed up by a data match as part of the National Fraud initiative.

Firm scoops award

A BARKING-based firm has scooped a top award for its ice cream.

Marcantonio Foods has won the award for the best white chocolate ice cream using the ingredients they supply to ice cream manufacturers around the country.

The award was made at the National Ice Cream Competition - the trade body for the UK ice cream industry.

Ice cream supplier scoops top award

A BARKING-based firm has won a top award for its speciality flavoured ice creams.

Marcantonio Foods, which is the UK's largest supplier of cones and wafers to the ice cream sector, won the award for the best white chocolate ice cream using the ingredients they supply to ice cream manufacturers around the country.

The award was made at the National Ice Cream Competition organised by the Ice Cream Alliance - the trade body for the UK ice cream industry.

Marcantonio has been involved in the ice cream industry for more than 100 years and employs 60 people at its Barking factory.

Director Nicholas Venditti said: "We are well known for our cones and wafers but this speciality award for suppliers to the ice cream industry shows we also know how to flavour a great ice cream."

"We supply 30 different types of cones and the market is growing - it is still the preferred way to eat ice cream."

The business was founded in 1895 by Luigi Marcantonio, who walked from Italy to the UK to start the business and set up an ice cream parlour in South London.

More information on Marcantonio Foods Ltd can be found at www.marcantonio.co.uk

Car park closed

A CAR park which was used for dogging will be closed until further notice.

Having Council has shut the park at Nag Head Lane, in Tyler Common, Upminster, after reports it was being used for public sex.

Work will be carried out at making the site less secluded and, when that is completed, the car park will be reopened.

Cycle path meeting

A PUBLIC meeting is being held about plans to widen cycle paths.

Sustrans, an organisation devoted to creating pedestrian and cycle routes, wants to extend and widen the tracks from Brookdale Road to St Mary's Lane. Members will be explaining their proposals at Upminster Park on Saturday, November 12, from 11am to 3pm.

Scout leader jailed

A FORMER Scout leader and teacher has been jailed for 10 years for a string of child sex offences.

Michael Costin, 46, of Lincoln Avenue, Romford, was found guilty of 12 offences at Oxford Crown Court last week. Costin was given an indeterminate sentence of 10 years imprisonment and made to sign the sex offenders register for life.

Numbercruncher becomes barber

By Suzi Muston

DESPITE burying his head in maths books for three years and earning a degree in accountancy, the world of numbers was never going to captivate Victor Ronald.

Victor, from Dagenham, wanted to be a barber since the age of 13, but thought the sensible thing to do would be to get a solid accountancy degree instead.

However, in the end his heart ruled his head, and Victor's need for creativity won the career battle, and

he became a barber shortly after graduating.

Victor, 30, said: "I literally got a job straight away in Ilford in a barbers and loved it and knew I couldn't ever work with figures."

"Having worked in Ilford for seven years as a barber, I realised there was potential for a barber's shop, so decided to go it alone."

Victor is now the proud owner of Slick V barbers at 295 High Road.

Victor plans to expand the business out to the rear of the shop.

He said: "I just love the process of

changing the way someone looks, of improving their appearance and seeing someone walk out happy."

Victor, who came to Britain from Uganda as a teenager, does sometimes get homesick.

He said: "I miss the weather, the people and the wonderful food, although there is a Afro-Caribbean restaurant in Ilford fortunately!" For appointments call 020 8553 9783.

STYLE: Victor Ronald cuts a customer's hair.

Money given to victim support

BOROUGH Commander Matt Bell presented Barking and Dagenham's Victim Support with a cheque for £5,000.

The donation came from the Police Property Fund and was presented to senior service delivery manager Shelley Hart at Fresh Wharf Custody and Patrol Base, in Barking, on Tuesday.

Mr Bell said: "We have a very close working relationship with Victim Support. They are a national charity that does wonderful work provid-

ing victims of crime with help and support. Their efforts to assist victims, their families and witnesses are of huge benefit to those who are unfortunate enough to be touched by crime and I hope that this money goes some way toward assisting in the delivery of this worthwhile scheme."

Ms Hart thanked the service and explained that the money will be spent on much-needed specialised equipment to add security equipment

to the homes of the residents of the borough.

"So far this year we have visited approximately 1,000 homes in Barking & Dagenham and these funds will allow us to reach many more," she added. "I speak for everyone at Victim Support when I say how happy and grateful we are to receive this generous donation."

DONATION: Borough Commander Matt Bell hands over the cheque to Shelley Hart.

"The Switchover Help Scheme made my switch to digital TV easy"

You may be entitled to help, just like Jean if you're 75 and over or eligible disabled.

"I love watching telly. Feet up with a cuppa, watching Bargain Hunt. Paradise.

But something came between me and my telly. They call it 'the digital TV switchover'. It's when the analogue signal is turned off and you start to lose your TV channels, unless you're ready. It comes to this area soon and will affect every TV in your home that isn't ready for switchover. No point sticking your head in the sand hoping it will go away. It needs sorting.

Help is at hand

As it turned out, there was no need for me to fret. I discovered that everyone 75 and over or eligible disabled was entitled to help switching one of their TVs to digital. I didn't even have to ask. An information pack from the Switchover Help Scheme just turned up one morning in the post. It's run by the BBC. For £40 they will arrange for an approved installer to supply and install everything. If you're eligible and also on certain income-related benefits you don't pay a penny. There are also other digital options to choose from, but they may cost a bit more.

Alan the installer

Well, they didn't have to tell me twice. I rang up the freephone number and got the help I was entitled to. The lady at the Help Scheme arranged for someone to come round and a very nice fella called

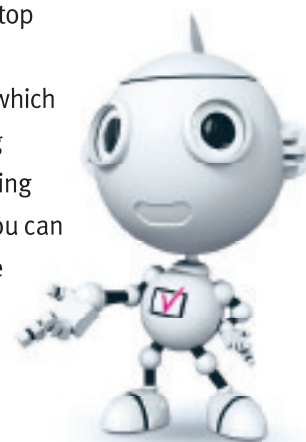

Alan came and set everything up for me. He even took time to show me how to use it. He explained that there were no hidden costs either. In fact the only surprise I got was when Alan showed me all the extra TV channels I could watch for free. When he finished at mine, he went next door to Peggy's. Although she already had digital on her

living room telly, she was still entitled to help switching one TV, so he sorted out the TV in her bedroom which she watches a lot.

The help continues

The help doesn't stop there. There is an aftercare service which is very reassuring while you're getting used to things. You can call up if you have any problems. So if you need a little extra help, it's there."

What should you do now?

Everyone who is entitled to help will receive an information pack from the Help Scheme. But if you'd like to apply now, you can call free on **0800 40 85 900** or visit **helpscheme.co.uk**

How do airbags work?

By Jonathan Crouch

GEN Motoring Assist member Matt Day recently wrote to the organisation to describe his first experience of an airbag doing its job admirably when he and his wife were involved in a crash that was not his fault.

He said: "We all know that the airbag is a great safety feature in our cars and, used in conjunction with a seat belt, can often save serious injury. What most of us don't know is what it's like when one goes off. We were thankful for the extremely fast deployment of the airbags.

"They seem to have deflated again before I realised they had inflated. What's more the seatbelts did their job and we didn't get thrown forward."

Matt explained that when the airbags inflated his car filled with smoke from the mini explosion, which was necessary to deploy them. "I could sense the car filling rapidly with smoke and my initial reaction was to get out. I screamed at my wife to get out too."

He said the crash made him think that there should be more information as to what exactly happens when an airbag comes into use. "In a situation where you might be best off not moving at all, especially if you are injured, your first reaction is to try and

get out of the car," he said.

So how do airbags actually work? Extremely quickly is the short answer. When one goes off, there's an explosion no louder than the sound of a paper bag being burst which propels the nylon bag towards your face. Since it's not completely gas tight, it will automatically deflate again within a split second so as not to impair your vision or hamper your escape from the car.

It doesn't hurt - volunteers describe it like being hit with a pillow - and since an airbag distributes the force of impact so evenly, it's unlikely to shatter your glasses. Even if you're smoking a pipe, there's little danger, it's likely that the

force of deceleration will have flung it from your mouth.

Typically, an airbag will be fully inflated within 30 milliseconds (0.03 secs) after the point of impact. To ensure that it doesn't go off accidentally, or trigger in minor impacts, a threshold deceleration has to be reached before the sensors activate inflation. In Europe, this can be anything from 12-20mph.

There are few recorded instances of airbags going off accidentally. They're manufactured to military equipment standards, hermetically sealed and designed to last at least ten years. Providing that the triggering mechanism is working properly, malfunctions are almost unheard of.

SECURE YOUR FUTURE & MAKE MORE MONEY

"Atul Patel has been an Autosmart franchisee for three years and he is already starting to reap the rewards of running his own profitable business.

"I spent 8 years working at a number of prestige car dealerships. I was good at my job, but I wanted a change and to use my skills to build something that would benefit my own family's future, rather than a group of shareholders.

"When I saw a local Autosmart franchise advertised, it got me thinking. The brand is very well respected in the industry. I realised that this could give me the chance to grow my own business, in an industry that I enjoy. When I met the Head Office team and saw the experience and support available to help franchisees, I felt reassured that this was a safe investment. I was even more convinced that this was a winning decision when the British Franchise Association awarded Autosmart the prestigious title of Franchisor of the Year.

"I have been a franchisee for just over 3 years now and love running my own business. It's hard work, but it's very motivating to know that you are doing it for yourself, rather than a boss. Initially I was concerned about the economic climate, but Autosmart franchisees have always grown in previous recessions. Customers use our products every day and we specialise in providing cleaning systems that save customers money.

"I bought a small, established customer base and I have already increased sales by over 50%. Despite the market I am exceeding all my targets and I know that the business is going to give me a fantastic living as it expands".

CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.

2. Classified Advertisers offering goods or service of a business, commercial or trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.

To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'trade', 'dealer', 'agent', 'wholesaler', '(T)' etc. in the advertisement.

3. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:

- Any error, inaccuracy or omission in the printing or publishing of any advertisement;
- Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or
- Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.

4. The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.

5. Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.

6. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.

7. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.

8. All gross advertising rates (except classified line and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.

9. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.

10. Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.

11. The placing of an advertisement order will be deemed an acceptance of these conditions.

12. Account facilities are granted at the discretion of the Company.

13. All accounts must be settled within the terms agreed by the Company and the Customer.

(1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.

(2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should legal action be required the interest will be charged in accordance with the County Court Act 1984.

14. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.

15. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.

16. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.

17. The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.

18. The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

Box Numbers

Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing matter. Original testimonials, goods, cash stamps or payments of any kind must not be enclosed. A box number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.

Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.

Holiday & Travel Category

All advertising must contain the name of the advertiser, phone number alone are not permitted.

Data Protection

The service you have requested may require us to carry out a credit search at a credit-referencing agency, which will record the fact that a search has been made. We may need to share your information with other lenders and credit reference agencies. However, we will only use the information from these searches to make credit-granting decisions and, if necessary, for fraud prevention or tracing debtors.

Data controller will use your information for administration and analysis. We may share your information with other Tindle Group Newspaper companies or carefully selected third parties. We, or they, may send you details of other goods and services, which may be of interest to you. The information may be provided by letter, telephone or other reasonable means of communication. Calls may be recorded or monitored for training purposes.

Special conditions apply with regard to the advertising of adult services, which are outlined to all persons submitting such advertisements.

Raiders bounce back from derby defeat

Ice Hockey

ROMFORD Raiders rebounded from last weekend's streak-snapping derby defeat in Chelmsford, picking up all four points following a pair of wins over the Slough Jets and Wightlink Raiders.

Raiders travelled to Slough on Saturday and did just enough to edge out the Jets 7-6 in a back-and-forth affair at The Hangar.

Juraj Huska's hat-trick made the difference in the second period as Raiders opened up a 6-2 lead before resisting a third-period fightback to earn a hard-fought win over an improving Jets side.

Sunday saw Raiders welcome Jeremy Cornish and his Isle of Wight team to Rom Valley Way for the third meeting of the season

between the two 'Raiders' squads.

Though short-benched in the absence of Frankie Harvey, JJ McGrath, Andrius Kaminskas and Shaun Wallis, Romford worked tirelessly to grind out an impressive 6-3 win over the current English National League champions.

Michael Gray denied Wight's Canadian forward Joe Rand on a second-period penalty shot, while the visitors second goal was incorrectly awarded despite the puck clearly not crossing the goal-line.

Raiders will look to continue their latest winning run as they welcome the Bristol Pitbulls to RVW this Saturday (5.15pm) before travelling to Gillingham to face the Invicta Dynamos on Sunday.

Lacklustre Lions hand Fury first victory of season

LEE VALLEY Lions suffered disappointment last Saturday as they lost 7-5 at Romford Fury, who earned their first win of the season.

It took Romford less than two minutes to score their first goal, with Lions netminder Ruth Cattell making the initial stop, only for the puck to slide over the line.

However, Lee Valley equalised soon after with a powerplay goal at

3:46, the shot coming courtesy from the reliable Richard Hodge.

Romford began to dominate and Cattell's unusually shaky performance between the pipes left the Lions trailing by three goals by the end of the first period.

The second got off to a bad start for the Lions as they defence stood back and watched while another soft Romford goal made it into the

back of the net.

Although a further Fury goal got past Cattell, Lee Valley's efforts did improve and goals from Adam Peach, Blair Dubyk and Calum Heath gave the visiting fans hope that all was not lost.

At 6-4 down, the Lions had to turn up the heat in the final period and a stylish goal from Dubyk, assisted by Hodge, narrowed

Fury's lead two minutes in.

After a further easy goal from Fury at 47:48, the Lions rested Cattell from netminding duties, replacing her with George Alley.

His confident display was solid enough to thwart the Romford attack, but despite a final push in the dying minutes, Lee Valley could not close the gap, handing Fury their first success this season.

Barking lose at Jersey while Southend win

Rugby Union

BARKING could not build upon their win last week against National League One leaders Ealing, losing 51-21 at Jersey on Saturday.

The Eastenders could not halt the islander's run of five unbeaten games, as they ran in six tries through Donovan Sanders, James Copsey, Guy Thompson (2), Michael le Bourgeois and Kingsley Lang.

Chris Ashwin, Tom Burns and Liam Dwyer scored Barking's tries

as they fell to 13th in the table.

Southend recorded their sixth win of the season, overcoming Henley 21-15 in National Two South.

Andrew Frost kicked three early penalties, but Henley scored the only try of the half, but still went into the break behind 9-8.

Southend looked brighter in the second half, with Daniel Johnson going over the line for their first try.

Henley fought back, scoring a try and a conversion to put them ahead 14-15, but Southend dug deep with

Chris Waring scoring the winning try, with Simon Hoult kicking the extras.

In the second round of the London & South East Intermediate Cup, Chelmsford progressed to the next round, beating Twickenham 20-8.

Romford & Gidea Park also booked their place following their 6-10 victory at Stevenage Town.

Woodford saw off Grasshoppers 25-12, but Canvey Island were knocked out by Saffron Walden 5-12, while Basildon lost 18-6 at

Tabard.

In the London & South East Junior Vase Round Two, Billericay recorded a 12-20 win at Woodbridge to book their passage in the next round.

Maldon lost 10-15 at home to Southwold, while Dagenham's progress was halted at Metropolitan Police, losing 25-13.

Bancroft lost 15-6 at Old Wimbledonians, while Writtle Wanderers fell 12-49 at home to Ely. An away win was awarded to Ilford Wanderers over London Media.

Motormen continue giant-killing exploits

Non-League Football

REDBRIDGE were once again up to their giant-killing tricks, dumping out Southern League's Cambridge City in the FA Trophy Second Qualifying Round, winning 2-1 on Saturday.

The Motormen followed up last week's FA Cup victory over Conference Premier side Ebbsfleet with another victory, making it eight wins from eight in the two FA competitions.

Jamie Haywood put Redbridge ahead five minutes after the break, but City levelled through Jamie Gould.

Despite losing Ben Bradbury to a second yellow card, Joe Gardner hit the winner for the Motormen on 81 minutes.

Fellow Ryman League Division One North side Maldon & Tiptree also progressed, winning 3-2 against Bedfont. Sos Yao, Leon Antoine and Lee Townrow were on the scoresheet.

First half goals from Rob Swaine and Dave Knight ensured Ryman League Premier leaders Billericay Town avoided a shock against St

Neots, with both sides reduced to ten men. Junior Luke received his marching orders for the Blues.

The Essex derby between Grays Athletic and Canvey Island produced four penalties as the Gulls won 3-2.

Grays went ahead through Harry Agombar's penalty on 25 minutes, before Danny Heale replied 10 minutes later with the only goal from open play. Agombar was spot on for a second time, but Canvey's penalty ace Rob King scored twice to book his side's place in the next round.

East Thurrock United had to work for their 4-2 victory at Faversham, who went ahead through Justin Ascheri.

Kris Newby and Petrit Elbi put Rocks ahead, but Adrian Stone levelled in the 55th minute.

Newby scored a penalty on 75 minutes and Freddy Ladapo made sure for the Rocks late on.

Les Thompson's goal helped AFC Hornchurch win their replay 1-0 against Harrow Borough on Tuesday night. They will face Thurrock in the next round.

Chelmsford City put in a disappointing performance in their goalless draw at home to Dorchester Town in Blue Square South on Monday night.

It came off the back of their 3-1 win at Farnborough on Saturday. Cliff Akurang gave the Clarets the lead after two minutes, but Reece Connolly netted the equaliser for the hosts on the half hour. But second half goals from Kezie Ibe and Michael Bakare ensured the three points for City.

Thurrock dropped to the bottom of the league after losing 3-2 at Tonbridge Angels. Ben Bowditch put Fleet ahead on six minutes before Danny Walder equalised with a penalty in the 20th minute.

Glenn Poole restored Thurrock's lead on 55 minutes, but late goals from Scott Kinch (85) and Michael Boateng (89) broke Fleet's hearts.

Aveley - who parted company with manager Carl Griffiths during the week - nearly grabbed victory at Cray Wanderers in Ryman League Premier, but were held to a 2-2 draw.

Ricky Manderson put the Millers

ahead, with Sean Bonnett-Johnson adding a second soon after the break.

But they could not hold on to the lead as Sam Long and Mark Willy denied them the three points.

Concord Rangers remain in trouble near the bottom after losing 3-1 at Wingate & Finchley. Leon Smith and Ahmet Rifat put Wingate 2-0 up in 11 minutes, but Tony Stokes replied for Concord in the 25th minute before Rifat grabbed his second midway through the second half.

Canvey were also in midweek action, drawing 0-0 at Cray Wanderers.

Midweek action in Ryman League Division One North saw Maldon & Tiptree win 2-1 at Thamesmead Town. After Kevin McLeod had cancelled out Chuck Duru's opener, Leon Antoine snatched the winner on 85 minutes.

It was a tale of two penalties at Brentwood Town who beat Potters Bar Town 1-0. Ryan Doyle scored a penalty in the 89th minute after Tom Pett missed his for the visitors on the stroke of half-time.

West Ham United

Irons victorious

WEST Ham United kept the pressure up on Championship leaders Southampton thanks to their 2-0 win at Hull City on Saturday.

Sam Baldock's fifth goal for the Irons since signing from MK Dons put them ahead four minutes into the second half, with Jack Collison doubling their lead eight minutes later to leave them five points adrift of the Saints.

However, boss Sam Allardyce reserved praise for his keeper Robert Green who made a string of saves since returning from knee surgery.

He said: "He looks like he's going to save everything and although Hull worked us hard, Robert was there to stop them.

"The difference between us and Hull was that we were clinical at one end and our goal-keeper produced excellent saves at the other end."

The hosts dominated the first half with Robert Koren and Matty Fryatt coming close, with the Hammers producing any meaningful effort after the half hour mark.

Allardyce brought on Carlton Cole for John Carew and the change sparked the Irons into life. It paid off as Papa Bouba Diop teed up Baldock to score from six yards out.

As the Tigers pushed on to try and find the equaliser, West Ham took advantage as Cole's defence splitting pass found Collison who slotted home to make it two. Hull still came at the Hammers, but they found Green in superb form, who produced save after save to ensure his side the three points.

Leyton Orient

O's settle for point

LEYTON Orient warmed up for this weekend's FA Cup tie against Bromley with a battling 1-1 draw against Hartlepool United in League One on Saturday.

Dean Cox - with his seventh goal of the season - gave the O's a first-half lead against the run of play.

But Pools, despite being reduced to ten men after Paul Murray's red card, were good value for their point and levelled early in the second half from Neil Austin's spot kick.

A croaky Orient, boss Russell Slade, admitted: "I've had a sore throat for a few days, and it didn't get any better this afternoon! But, what is disappointing is that we didn't have enough quality about us today and with two of my strikers out, there also wasn't enough quality on the bench that I thought would improve us."

Orient have reduced admission prices for this Saturday's match against the Blue Square South side, which kicks off at 3pm.

Dagenham & Redbridge

Home loss for Daggers

IT'S six straight league defeats for Dagenham & Redbridge who went down 2-0 to Shrewsbury Town in League Two on Saturday, leaving them above the drop zone.

They again fell behind early on with Terry Gornell poking the ball home after six minutes to put the visitors ahead.

However, the Daggers remained in the match and would have fancied their chances after Shrews debutant James Wallace was sent off with a straight red card after a lunge at Jon Nurse.

But in injury time, Scott Doe brought down James Collins in the penalty area and was given his marching orders. Collins stepped up to convert the penalty and heap more misery on the east London side.

Daggers boss John Still said: "We gave away a goal in six minutes, in our position we can't afford to do that."

The Daggers host Blue Square Premier's Bath City in the FA Cup First Round on Saturday, kick-off at 3pm.
